CONDITIONAL USE PERMIT AND REZONING APPLICATION PROCEDURE

A **CONDITIONAL USE PERMIT** (CUP) is an ordinance passed by City Council allowing a specific use in a specific location and zoning district. The uses that require a CUP are identified specifically in the Zoning Ordinance. When an application is submitted for a CUP, the proposed use is reviewed and evaluated to determine if it has the potential to impose any negative impacts on the surrounding properties and neighborhoods. If it is determined that the use may pose negative impacts, staff may recommend to the Planning and Zoning Commission that certain conditions be placed on the use in order to mitigate those potential negative impacts. It is the policy and practice of staff to present the request to the Planning and Zoning Commission who makes a recommendation to City Council. Council has the authority to approve or deny such permits.

When a property within the city limits of Sugar Land is **REZONED**, an ordinance is passed by City Council effecting a permanent change in zoning designation for that property. A rezone involves a change from one official zoning district to another. The Official Zoning District Map is also updated to reflect the zoning change.

The application procedure is outlined below.

- (1) Applications will be accepted each **Monday from 8:00 am until 3:00 pm.**
- (2) Staff will review the request and comments will be sent to the applicant on the second Friday after the request has been submitted. The applicant will be directed to resubmit the corrected materials and additional materials for the Planning and Zoning Commission and City Council, and staff will review them for clearance.
- (3) When staff issues have been addressed, the request will be scheduled for a public hearing at a Planning and Zoning Commission meeting. The public hearing will be advertised by the City in the official newspaper of the City at least 15 days prior to the first public hearing, all property owners within 200 feet of the site and all homeowners associations will be notified by mail, and the public hearing will be published on the City's website.
- (4) A public hearing will be held by the Planning and Zoning Commission (PZC) at 7:00 p.m. in the City Council Chambers, unless otherwise noted. PZC meetings are held on the second Tuesday and fourth Thursday of each month. The purpose of the public hearing is to allow the PZC to conduct a fact finding process. Staff will present the request to the Commission. The Chair will then close the meeting and open the public hearing. The applicant will have ten minutes to present the request. The chair will then allow anyone present from the public to speak on the request. The Commission may ask questions of staff and anyone else present at the meeting, but will not vote the same night.
- (5) The request will be presented by staff with a recommendation at a subsequent PZC meeting. The PZC will hold consideration and action and make a recommendation to City Council. No one but staff will make a presentation at this meeting, however, the Commission may direct questions to staff and the applicant.
- (6) A second public hearing will be scheduled for a regular City Council meeting. Meetings are held on the first and third Tuesdays of each month. Again, in accordance with state regulations, property owners will be notified and the notice will be published in a City paper and on the City's website.
- (7) Council will conduct a public hearing in the same manner at PZC. At the same meeting, Council will have the first reading of the ordinance and vote.
- (8) At a subsequent City Council meeting the Council will hear the second reading of the ordinance and vote again.
- (9) Following the second reading of the ordinance, it will be signed by the Mayor and City Secretary and a copy sent to the requestor. If approved, the permit will be granted.
